No drafting
8. Maintain the current law Commerce and DNR staff levels for brownfields and site assessment grants. (This would retain the current level of 2.0 Commerce positions, and would delete 1.0 SEG position and \$50,600 petroleum inspection fund SEG from the bill in 2001-02 and \$58,500 SEG in 2002-03. This would retain the current DNR position with \$51,600 environmental fund SEG in 2001-02 and \$58,500 SEG in 2002-03.)

No drafting
9. Provide the following level of funding for Commerce brownfields grants: \$7,000,000 environmental fund SEG in 2001-02 and \$7,000,000 SEG in 2002-03. This would be an increase from base funding of \$600,000 in each of 2001-02 and 2002-03. This would be an increase from the bill of \$500,000 in 2001-02 and a decrease from the bill of \$1,500,000 in 2002-03.

PSK
10. LFB Paper #693. Alternative D1. Make the following modifications to the brownfields grant program: (a) eliminate the requirement that Commerce must allocate a specified amount of total brownfields grant monies for grants of certain amounts; (b) expand the definition of entities that would be eligible to receive brownfields grants to include limited liability companies, nonprofit organizations, cities, towns, villages, counties, or trustees, including trustees in bankruptcy; and (c) provide that brownfields grant proceeds could not be used to pay DNR or federal EPA liens based on investigation or remediation activities or to pay delinquent property taxes or interest or penalties related to those taxes.

PSK
11. LFB Paper #693. Alternative D2 b. Require Commerce to adopt a semi-annual brownfields grant application cycle.

C. Other Provisions

RET
12. LFB Paper #695. Approve Alternative 2 to create a settlement appropriation within the environmental fund, deposit specified monies in the fund and credit specified monies to the appropriation to carry out the purposes for which received.

Drafting?
13. Provide DNR with \$242,400 environmental fund SEG in 2001-02 and \$306,900 SEG in 2002-03 with 5.0 SEG two-year project waste management specialist positions to geo-locate brownfield properties and update DNR's web-based registry of closed sites.

RET
14. Recreate the sustainable urban development zone program that was created in 1999 Act 9. Provide \$525,000 environmental fund SEG in 2001-02 in a biennial appropriation. Specify that the state funds may be used to investigate environmental contamination and cleanup brownfields properties in municipalities. Direct DNR to accept applications from municipalities for the funds.

RET
15. Specify that the environmental fund would be used to pay a portion of the costs of GPR debt service for environmental repair general obligation bonds on an ongoing basis. Create a SEG annual debt service appropriation from the environmental fund and provide \$2,400,000 SEG
